

NDLA Archivist/Historian Quarterly Report

Submitted on 2/2/2018

- Visited State Archives in Bismarck and examined a sample of the NDLA collection to gain a better understanding of what is in it.
- Viewed the online NDLA collection finding aid on the State Historical Society's website.
 - Determined nothing has been added to the collection since 2014.
- Began compiling NDLA records from the past 3 years to eventually be added to the collection at State Archives.

Respectfully submitted,

Trevor Martinson

NDLA Archivist/ Historian
