Legislative Bill Tracking System

Legislative Bill Tracking System

The Legislative Bill Tracking System is an online web application for tracking bills through the legislative process. There is no user fee for this application. The application is available for Internet users and state agency users. The tracking of legislative bills and resolutions begins when prefiled bills become available on the website and will become fully functional as bills are introduced on the first day of regular session.

Please review the [User Manual](#).

Internet Users

Internet users will login to the Legislative Bill Tracking System using their state of North Dakota Login ID. If you do not have a state of North Dakota login ID, click on the “Register Now!” button on the login page to create a North Dakota login ID.

[Login with your North Dakota login ID.](#)

State Agency Users

State agency users on the state network may login to the Legislative Bill Tracking System using their North Dakota government (NDGOV) login id.

[Login with your North Dakota NDGOV login ID.](#)

NOTE: If an NDGOV login ID user needs to access the Legislative Bill Tracking System from outside the state network, the user will need to VPN into the state network using their SSL VPN connection to access the bill tracking system.

2. After you are registered and logged in, you will be taken to the page titled **Legislative Bill Tracking - Sixty-fifth Assembly (2017)**. Click “Search/Add Bills.”
